

PORTFOLIO

It is a company made up of high-level jurists in different areas of law and other highly qualified interdisciplinary professionals, willing to attend to your legal needs with a high degree of responsibility, efficiency, a sense of commitment and quality.

In addition to customer satisfaction, **innovation is the focus**

The only constant thing is change.
Therefore, we seek that our
service always go hand in hand
with the new realities that
energize the day to day and thus be
tailored to new challenges
that our society lives.

Our Team

Our lawyers are characterized by their dedication to client service, constant updating and expertise. We have a human talent prepared for great challenges.

Dr. Diego Alejandro Castrillón A.
Partner Director

Specialized in Private Law, Extinción de Dominio (law on asset recovery for the seizure of goods obtained with illicit resources), and Criminal Law at the University of Medellín.

20 years of experience as a trial attorney and legal consultant, always keeping in mind that it is not daily practice that makes a good lawyer, but good practice is. He has represented important companies and individuals at the national level in judicial processes and arbitration tribunals for values such as compliance, honesty, sense of commitment, loyalty to the client and the counterpart.

Dr. Santiago Cadavid A.
Sports and Entertainment

Specialist in Sports Management and Master in Sports Law from the European University of Madrid and the Real Madrid University School.

He leads sports law and intellectual property practice areas, providing all his professional background and the deep knowledge he has about the needs of those involved in the sports and entertainment industry.

Likewise, he has solid knowledge and experience in labor, commercial and foreign investment processes.

Our team

Dr. Fernando Bedoya R.
Insolvency/bankruptcy law

MBA from the University of La Rioja (Spain), Specialist in Negotiation from Los Andes University, among many other degrees. Professional and project manager with more than 15 years of experience in liquidations, advisory groups, auditing, business transformations, restructuring, and dispute resolution in different companies, which brings a deep and comprehensive vision to generate sustainable solutions in the business field.

Dr. Wilson Cárdenas A.
Family Law

Specialist with broad knowledge in civil and family law. His practical level guarantees the ability and skill in the professional exercise. A high degree of commitment, tenacity, and determination to achieve the proposed objectives.

Dr. Andrés Isaza O.
Tax, Customs, and Foreign Exchange Law

He is an attorney who specializes in Commercial Law from Universidad del Rosario and Tax Law from Universidad Externado. He also holds a Master's degree in Sports Management and Legal Skills with a focus on Sports Law from ISDE Barcelona.

His practice centers on providing tax advisory and planning services to individuals and companies, both domestically and internationally. He also counsels domestic and foreign investors to ensure compliance with foreign exchange and fiscal regulations. He also specializes in wealth reorganization and estate planning matters.

Our team

Dr. Juan Pablo Zapata H.
Lawyer

Attorney with oratory skills, quick understanding of cases, and synthesized writing. Research professional, intellectual and intuitive; good negotiator in conciliated conflict resolution. Experience in Judicial Bodies and in civil, labor, and administrative procedures.

Dra. Jenny Lizeth Martínez C.
Criminal

Lawyer, with a Specialization and Master's Degree in Criminal Law and Criminal Procedure from the Universidad de Santo Tomás in Tunja; with extensive experience in different areas of Law, such as Sanctioning Administrative Law, Criminal Law, and Family Law. Worked as a mediator in conflict resolution and as a legal officer issuing decisions on violations of the national road traffic code, as well as imposing protective measures in favor of children, teenagers, women, men, and the elderly who are victims of domestic violence. With extensive knowledge in Criminal Law, Criminal Procedure, Road Traffic and Transport Law, and Family Law.

Professional practice

Legal advice and representation services in:

Civil Law

People, their rights, obligations, contractual relationships and assets are our priority.

Real Estate Law

Our advice covers everything necessary to provide legal security in all types of actions related to real estate and its exploitation. Title study, licence process, negotiation, and preparation of contracts that regulate real estate occupation.

Commercial Law

We not only know about the law, but we also understand business. Our advice is to optimize the strategies of our clients, promote their growth, defend their rights, and promote the fulfillment of their duties. We perform our services in related topics such as competition law, consumer law, Intellectual property, and data protection.

Corporate Law

We offer comprehensive advice on corporate law, company incorporation, design and choice of national and foreign investment vehicles, contracts, and, in general, all the support for efficient corporate management.

Insolvencies

We know that any natural or legal person can go through a difficult time. For this reason, at Castrillón & Cárdenas, we have an area specialized in Insolvency, where we provide the support to undertake your recovery, offering a wide range of negotiation alternatives with your creditors. We are your ally for the restoration of your finances and commercial projects.

Professional practice

Tax, Exchange and Customs Law

We advise our clients in the compliance of their national and international tax obligations. Likewise, we have specialized professionals who will offer you a global support in tax planning, in order to optimize your finances.

Besides, we advise individuals and entities, both in Colombia and abroad, to design strategic alternatives for the proper conduct of global operations and foreign investment, always ensuring effective compliance with money exchange and customs regulations. We offer a wide range of experience and interdisciplinary knowledge to direct complex operations, always prioritizing our clients' satisfaction and interests.

Sports & Entertainment

Legal services to athletes, agents and sports entities, in matters such as: prevention and resolution of national and international disputes, contracting, image, sponsorship, good governance, discipline, doping and taxation.

Areas of practice Advisory services and legal representation in: Likewise, advice on image rights, copyrights and related rights in the entertainment industry.

Family Law

As a fundamental cell of society, our portfolio has solid tools for its protection, whatever its composition. Experience in topics such as inheritance, maintenance, and divorce regulations.

Professional practice

Extinction of Ownership

Do you know how to defend yourself against the State in a forfeiture of ownership process, whose process is arbitrary, violating all the minimum guarantees of rights and due process? At Castrillón & Cárdenas Abogados Consultores S.A.S. we have an area specialized exclusively in forfeiture of ownership processes, composed of lawyers specialized in Criminal Law and other interdisciplinary professionals such as Forensic Accountants for the study and justification of assets through the accounting opinion. We have experience in proven successful cases for more than 10 years in asset forfeiture processes.

Criminal Law

We put at your service a team that works harmoniously to offer support, advice, and specialized professional representation that guarantees technical defense. Likewise, we design corporate compliance plans adapted to international standards.

Administrative Law

We provide public entities and individuals, in their relationship with the State, with comprehensive advice.

Our services include: the management of all types of legal actions before public agencies, constitutional actions, and the planning, conclusion and execution of contracts with state entities.

Employment Law

We know the frame Between workers and employers. Thus, we offer a timely and effective accompaniment. We provide strategic solutions on contracts, Internal Labor Regulations, disciplinary processes, collective labor law, and healthcare system.

Professional practice

Dispute Resolution

An inadequate settlement is better than a good lawsuit. Therefore, in our firm, we always opt for a preventive vision, to exhaust all the avenues that lead to a correct agreement that avoids unnecessary litigation situations. In turn, we have extensive and satisfactory experience in arbitration litigation.

Our clients

Those who place their trust in our professionalism.
